<p>Achievements</p>	<p>After qualifying as a teacher I worked in Bristol for 3 years at Hengrove school and then moved to Qatar with my now husband.</p> <p>I have travelled a bit (America: LA, Las Vegas, San Francisco, Seattle and New York. Canada, Maldives, Vietnam, Thailand, Cambodia, Malaysia, Sri Lanka, Qatar, UAE, Bahrain, South Africa, Spain, Estonia, Germany, Holland, France, Finland, Italy, Greece, Turkey, Vatican City) and plan on doing a lot more!</p> <p>I have now lived in Qatar for 9 years, I am married with two little girls and worked at Doha College for 7 years and recently started at Park House after a couple of years at home with my children.</p>
<p>Personal Message</p>	<p>I loved my time at Mill Chase, I made lots of new friends (I moved to Bordon at the start of year 8, my dad at the time was in the army and we had just moved back from Germany). I did well thanks to my great teachers and was in the top 10 in the year group for my GCSEs, which enabled me to go on and do A levels at Alton College.</p> <p>I then took a gap year where I worked in America and visited South Africa before going on to do a degree course at Portsmouth University.</p> <p>Mill Chase, I feel encouraged independence and personal development. There was a lot of opportunity to get involved</p>

	<p>in the school such as an active prefect system, of which I was deputy head girl. I got involved in school activities and sports days and I feel that I left confident and able to go on and venture into the world, travelling and working in different countries.</p>
