

Options Evening – Thursday 29 February 2024

21 February 2024

Dear Parents and Carers,

As mentioned in my previous letter dated 31 January, I am writing to provide you with the final information ahead of our options Evening on Thursday 29 February.

Firstly, I hope you have found the options booklet useful in supporting conversations ahead of our evening. If you haven't seen this yet, please ask your child as they were given a copy during experience day.

As you already know, we will be running two presentations which will provide you with all of the information that you need ahead of supporting your child with selecting their options.

I had previously mentioned that we would be running separate presentations depending on your child's class, however this may not be appropriate for all parents. As a result we will continue to run two presentations to ensure all parents have an opportunity to attend, but instead we will allow you to decide which presentation would suit you best. Please be advised that spaces are limited and will be allocated on a first come first serve basis. We have a maximum of 320 seats in the theatre so need to limit the number of tickets to a maximum of three per family.

Please click the link below to sign up for one of the two presentations. Tickets will close on Wednesday 28<sup>th</sup> February at 3:00pm. Once a presentation becomes full we would ask that you attend the alternative presentation.

**Presentation 1 - 6:00-6:30pm – <https://oakmoor-school.eventcube.io/events/56727/options-evening-2024-presentation-1/>**

**Presentation 2 - 6:45-7:15pm – <https://oakmoor-school.eventcube.io/events/56728/options-evening-2024-presentation-2/>**

Teaching staff from all of our option subjects will be available from 6:00-8:00pm. They will be based in their classrooms ready to provide more information on the course/s they run and to answer any questions you might have regarding the KS4 curriculum. We will share locations on the evening to help you find each subject.

If you are attending presentation 1 you will be free to visit departments as soon as we have finished the presentation. If you are attending presentation 2, you are welcome to come onto school site from 6:00pm and start visiting departments ahead of the presentation, which will start at 6:45pm.

Finally, to support your further discussion at home, we have prepared a SWAY that contains additional information on each of the subjects. This will go live after the event and you will be sent a link. If you are unable to attend Options Evening, please let us know to that we can ensure that you are fully supported ahead of the options deadline on Thursday 14 March.

We look forward to welcoming you into school on Thursday 29 February and hope that you find the evening helpful. If you have any questions ahead of next week, please don't hesitate to contact us at school.

Yours sincerely

Mr A. Beere  
Assistant Headteacher

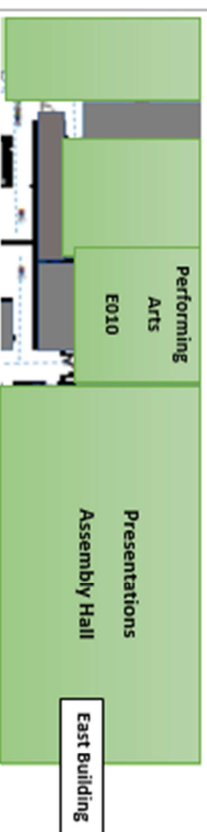

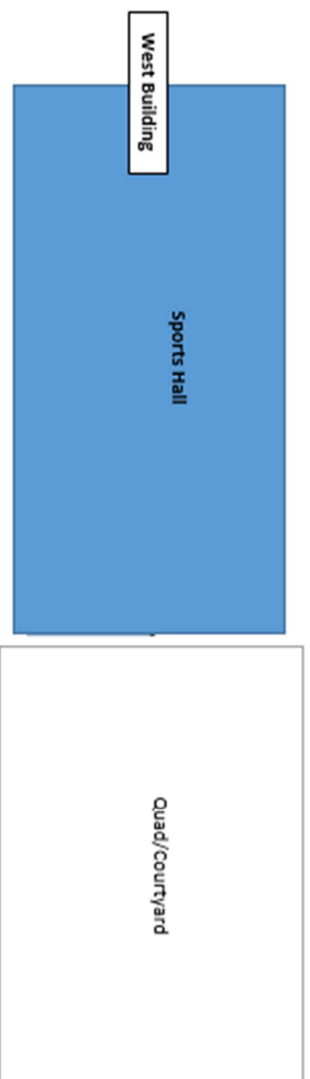

**North Building Rooms to visit**

Ground Floor

- Computer Science/iMedia - N004
- Construction and the Built Environment/Design Technology - N007
