

23 February 2024

Dear Parents & Carers,

Iceland

Over half term 24 intrepid explorers from Oakmoor visited Iceland. They were really fortunate to not be affected by the recent volcanic action on the island, but the smell of sulphur was quite something! Before the trip the tour guide had only ever taken adults on tours and was very apprehensive about touring children. Our students were absolutely brilliant, showing great manners throughout, exactly what we expect from all our Oakmoor students. The tour guide was so impressed.
