

2 March 2024

Dear Parents & Carers,

### Front page news!

If you haven't already seen it, our students and staff made the front pages of the Bordon Herald following their successful trip to Iceland. Mrs Sutehall commented on how proud she was of our students and how enjoyable the trip was. It is a huge responsibility, and a great deal of work leading any school trip, a huge thanks to Mrs Sutehall and her team of staff for providing the students with a learning experience that will undoubtedly stay with them throughout their lives.

### Year 8 Options

Thank you to all our Year 8 Parents and Carers who attended our Options Evening on Thursday this week. We hope that you found the evening helpful as you look to support your child in selecting the options that are appropriate to them and their future. As Mr Beere said, we are here to support you in this important decision-making process, so please don't hesitate to contact us. He will send a link to the Options Sway on Monday so that you are able to review all the information that we shared as part of the evening.

### World Book Day

We are passionate about the importance of reading at Oakmoor and are therefore excited about the forthcoming 'World Book Day' celebrations that will be happening on Thursday 7 March at Oakmoor and throughout the week in the primary schools across the town. We are running a competition in school and will be inviting children from our local schools to join us for an event later this month that will provide further opportunities to celebrate and appreciate literature that inspires us all. We are looking forward to seeing the costumes that are part of this event and may upload a few treats to our school twitter account so that you can share in the celebration. If you aren't already following our account, please follow us @oakmoorschool

### Dance Show

On Friday 8 March we will be hosting a Dance show for schools across the town and look forward to providing an opportunity for young people to showcase their talents on stage.
