Dear Parents & Carers,

Mobile Phone Policy

Prior to Easter I wrote to all parents and carers with regards to our new policy on mobile use within school. As a reminder this can be found on our website [here](#). It is really important that you continue to help your children have a break from their phones by not contacting them on them during the school day.

In an emergency please do contact the school office who will be able to pass a message on.

Assembly theme for the week

This week for our house assemblies we have taken the opportunity to re-emphasise the mobile phone policy, but also to remind our students to take greater care over our environment. The assembly can be viewed [here](#). Please note that the image on slide 7 is not from our toilets!

We have also spoken to students about pro-kindness and have helped our community to have winning conversations at school. To read all about it please see slide 12!
