Dear Parents & Carers,

Care first support for adults

As part of the University of Chichester Academy Trust all our parents and carers have free access to online resources and a helpline to support with wellbeing. As part of this service you can access menopause support and advice, wellbeing webinars, budgeting support and a 24/7 hotline to talk to someone.

Change to the school day 2024-25

As previously communicated a few months ago, and yesterday, Oakmoor will be finishing at 3pm in order to meet the DfE requirements of 32 and a half hours of education a week. We will communicate how we are going to utilise this time later in the academic year.
