Dear Parents & Carers,

Reshaping our values – Have your say

Over the last week, as part of our assemblies, we have been talking to students about the time being right to reshape our values and what we stand for as a school. Some of the reasons why we are doing this, which was shared with students, are

- Our values need to represent what it means for all of us to be part of the Oakmoor community
- Our values need to reflect how the community has changed
- Our values need to show what we are about now, and what we are about in the future

Our staff have had their chance to vote, our students are currently voting, now it is your turn. You have the option to pick your top 5 from the shortlist that we have provided. We have not decided how many values the school will have, but once decided we will communicate what these are and they will be our values from September. To vote please click [here](#).

Enrichment week

For the first time in Oakmoor history we are running an enrichment week from 15-19 July. At the moment we are still waiting on a few responses. Please can you ensure that you register your child ASAP using the links indicated below.
