Section 1

Rationale/Statement of Intent

For a child to reach their full educational achievement a high level of school attendance is essential.

We are committed to providing an education of the highest quality for all our pupils and endeavour to provide an environment where all pupils feel valued and welcome. Parents and pupils play a part in making our school so successful. Every child has a right to access the education to which he/she is entitled. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all.

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

For our children to take full advantage of the educational opportunities offered it is vital your child is at school, on time, every day the school is open unless the reason for the absence is unavoidable. The routines children develop around attendance and punctuality at school are the same as the expectations of any future employer in the world of work. High attainment, confidence with peers and staff and future aspirations depend on good attendance.

Good attendance is important because:

- Statistics show a direct link between under-achievement and attendance below 95%
- Regular attenders make better progress, both socially and academically
- Regular attenders find school routines, school work and friendships easier to cope with
- Regular attenders find learning more satisfying
- Regular attenders are more successful in transferring between primary school, secondary school, and higher education, employment or training

Section 2

Understanding types of absence

Pupils are expected to attend school every day for the entire duration of the academic year, unless there is an exceptional reason for the absence. There are two main categories of absences:

- authorised absence: is when the school has accepted the explanation offered as satisfactory justification for the absence or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised
- unauthorised absence: is when the school has not received a reason for absence or has not approved a child's leave of absence from school after a parent's request. This includes:
 - parents giving their children permission to be off school unnecessarily, such as for shopping, birthdays, to look after siblings
 - truancy before or during the school day
 - absences which have not been explained

A school can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to school there is evidence they have been on holiday.

Section 3

Operating the Policy

Promoting Good Attendance

The foundation for good attendance is a strong partnership between the school, parents and the child. The Home School Agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

To help us all to focus on this we will:

- Provide information on all matters related to attendance in our parent handbook, newsletter, and on our website
- Report to you on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments
- Celebrate good attendance via assemblies and communication sent home
- Reward good or improving attendance through competitions, certificates, prizes and events
- Set attendance targets for the school and for individual houses within the school

Responsibilities of the School's Attendance Leader

The Assistant Headteacher oversees, directs and co-ordinates the school's work in promoting regular and improved attendance and will ensure the Attendance Policy is consistently applied throughout the school. This person will also ensure that attendance is both recorded accurately and analysed.

They will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

If absence is frequent or continuous, except where a child is clearly unwell, staff will discuss with parent/carers the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always rest with the school.

Responsibilities of Classroom Staff

- Ensure that all pupils are registered accurately
- Promote & reward good attendance at all appropriate opportunities
- Liaise with the appropriate Mentor and/or Academic and Pastoral Leader on matters of attendance and punctuality
- Communicate any concerns or underlying problems that may account for a child's absence
- Support pupils with absence to engage with their learning once they are back in school

Responsibilities of Students

- Attend every day unless they are ill or have an authorised absence
- Arrive in school on time every day
- Go to all their registrations and lessons on time
- Take responsibility for registering at the reception desk if they are late or are leaving the school site during school hours

Responsibilities of Parents and Carers

Ensuring your child's regular attendance at school is a parent/carers legal responsibility (section of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law. Parents will:

- Inform the school on the first day of absence
- Discuss with the Mentor/Academic and Pastoral Leader any planned absences well in advance
- Support the school with their child in aiming for 100% attendance each year
- Make sure that any absence is clearly accounted for by phone or text on the first and subsequent days of absence, or by letter if a phone is unavailable
- Avoid taking their child out of school for non-urgent medical or dental appointments
- Only request for leave of absence if it is for an exceptional circumstance

Section 4

4.1 Recording Attendance

Legally the register must be marked twice daily. This is once at the start of the school day and again for the afternoon session.

4.2 Lateness /Punctuality

It is important to be on time at the start of the morning and afternoon school sessions and to lessons. The start of school/lessons are used to give out instructions or organise work. If your child is late they can miss work, time with their class teacher getting vital information, cause disruption to the lesson for others and it can be embarrassing leading to possible further absence.

- The school day begins at 8:30am and all pupils are expected to be in school at this time. Morning registration is at 8:35am.
- All lateness is recorded daily. This information will be required by the courts, should a prosecution for non-attendance or lateness be necessary.

Pupils who are consistently late are disrupting not only their own education but also that of the other pupils. On-going and repeated lateness is considered as **unauthorised absence and will be subject to legal action** (see section 6 for further detail).

Parents/carers of pupils who have patterns of lateness will be contacted to discuss the importance of good time keeping and how this might be achieved. If lateness persists, parents/carers will be invited to attend the school and discuss the problem and support offered. If support is not successful or is declined, and a child has 10 or more sessions of unauthorised absence due to lateness recorded in any 10 week period the school or the Hampshire County Council will be required to issue parents with a penalty notice in accordance with Hampshire's Code of Conduct for issuing penalty notices for non-attendance (See section 6 of this policy for further detail).

4.3 What to do if my child is absent

First Day Absence

A child not attending school is considered a **safeguarding** matter. This is why information about the cause of any absence is always required. If your child is absent you must:

- Contact us as soon as possible on the first day of absence by 9am and every subsequent day of your child's illness. A message can be left on the absence line
- Or, you can call into school and report to reception

If your child is absent we will:

- Contact you via an automated system which contacts the parents/carers of any child absent without reason. This system continues to attempt to contact parents/carers for the rest of the day until an answer is received. This is because we have a duty to ensure your child's safety as well as their regular school attendance.
- You will be asked to provide an answer in writing if you do not respond to the automated message.

If your child is persistently absent we will:

- Contact you to discuss the situation if absences persist
- Support you and your child by placing them on an attendance action plan
- Refer the matter to the Hampshire's Attendance Legal Panels if absence is unauthorised and falls below 90%

Third Day Absence

Please Note: If your child is not seen and contact has not been established with the named parent/carers after three days of absence the school is required to start “a child missing in education” procedures as set down by Hampshire County Council Guidance. We will make all reasonable enquires to establish contact with parents and the child including making enquires to known friends, wider family.

Ten Day's Absence

We have a legal duty to report the absence of any pupil who is absent without an explanation for 10 consecutive days. If the child is not seen and contact has not been established with the named parent/carers then the Local Authority is notified that the child is 'at risk of missing'. Children's Services Staff will visit the last known address and alert key services to locate the child. So please help us to help you and your child by making sure we always have an up to date contact number. There will be regular checks on telephone numbers throughout the year.

Continued or Ongoing Absence

If your child misses 10% (3 weeks / sessions) or more schooling across the school year for whatever reason they are defined as **persistent absentees**.

Absence for whatever reason disadvantages a child by creating gaps in his or her learning. Research shows these gaps affect attainment when attendance falls below 95%. As such we monitor all absence thoroughly and all attendance data is shared with the Local Authority and the Department for Education.

If your child has had absence and their attendance level is falling towards 90%, depending on the reasons for the absence we will place your child on an attendance action plan. If the attendance level reaches 90% or below we will contact you and depending on the reasons for the absence we will place your child on an attendance action plan, if this does not improve we will consider non authorisation of any future absence and if there is a further decline we will consider referral to the Hampshire Attendance Legal Panel.

Section 5

Request for Leave of Absence

Amendments to school attendance regulations were updated and enforced from September 2013. The Education (Pupil Registration) (England) Regulations state that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. It is important to note that headteachers can determine the length of the authorised absence, as well as whether absence is authorised at all. The fundamental principles for defining *exceptional* are rare, significant, or unavoidable, which means the event could not reasonably be scheduled at another time. There are no rules on this as circumstances vary from school to school and family to family. There is, however, no legal entitlement for time off in school term time to go on holiday and in the majority of cases holiday will not be authorised. Parents/carers wishing to apply for leave of absence need to fill in an application form (available from the school reception) in advance and before making any travel arrangements.

If term-time leave is taken without prior permission from the school, the absence will be unauthorised and if the number of sessions absent hits the thresholds set down in Hampshire County Council's *Code of conduct*, parents/carers will be issued with a fixed-penalty fine or other legal action in accordance with the code (see Section 6 for detail).

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not taking children out during school time.

Section 6

Penalty Notices for non-attendance and other legal measures

In education law, parents/carers are committing an offence if they fail to ensure the regular attendance of their child of compulsory school age at the school at which the child is registered, unless the absence has been authorised by the school.

Legal measures for tackling persistent absence or lateness

Oakmoor School and Hampshire County Council will use the full range of legal measures to secure good attendance. Legal measures will only be considered when there is unauthorised absence and:

- 1 the child or family do not require the support from any agency to improve the attendance
- 2 the child has 10 or more sessions of unauthorised absence and parents are complicit in the child's absence

The following legal measures will be used for pupils of compulsory school age who are registered at a school:

- parenting contracts set at Education Planning Meetings
- parenting orders
- Penalty Notices
- Education Supervision Orders
- prosecution

Where a child has unauthorised absence the school must enforce Hampshire County Council's *Code of conduct: issuing Penalty Notices for unauthorised absence from schools* or follow its guidance on other legal measures for non-attendance. The *Code of conduct* is a statutory document that ensures that powers for legal sanctions are applied consistently and fairly across all schools and their families within the authority. A copy is available from: <https://documents.hants.gov.uk/code-of-conduct-issuing-penalty-notices-for-unauthorised-absence-from-schools.pdf>

The *Code of conduct* states that schools or Hampshire County Council will issue a Penalty Notice for any unauthorised absence where the pupil has been:

- absent for 10 or more half-day sessions (five school days) of unauthorised absence in the last 10 school week period
- persistently late (coded *U*) for up to 10 sessions (five days) after the register has closed

- persistently late before the close of the register (coded *L*), but the school has met with parents and has clearly communicated that they will categorise as unauthorised any further lateness (code *O*), and where the threshold of 10 sessions (five days) has been met
- absent for any public examinations of which dates are published in advance
- absent for any formal school assessments, tests or examinations where the dates have been published in advance

unless the issuing of a Penalty Notice would conflict with other intervention strategies in place or other sanctions already being processed.

If a child's unauthorised absence meets any of the above criteria and the family or child do not require any agency support to improve the attendance then a Penalty Notice is issued for either:

- 1 10 sessions of unauthorised absence or lateness in any 10 week school period
- 2 one or more sessions of unauthorised absence during a public exam, formal school assessment or testing where dates are published in advance.

This includes where a pupil has unauthorised absence due to either:

- non-approval of a parent/carer's request for leave of absence, or
- a holiday that has been taken without permission.

Parents and carers will be warned of the likelihood of a Penalty Notice being issued for unauthorised absence via a letter, through the leave of absence request form, or through the school's attendance policy and website. The Penalty Notice is a fine that is issued to each parent/carer who condoned (or was responsible for the child) during the period of unauthorised absence for which the fine has been issued. For each case of unauthorised absence the school or Hampshire County Council will decide whether a Penalty Notice is issued to **one or more parents/carers** for each child. **NB:** This could mean four Penalty Notices for a family with two siblings, both with unauthorised absence for holiday, i.e. one Penalty Notice for each child to each parent.

Each Penalty Notice carries a fine of £60 if paid within 21 days of the Penalty Notice being posted. If the fine is not paid within 21 days the penalty is automatically increased to £120 if paid within 28 days. If the fine remains unpaid Hampshire County Council will consider prosecution for the non-attendance. Payment methods are detailed on the Penalty Notices themselves. Penalties are to be paid to Hampshire County Council and revenue resulting from payment of penalties is used by the County Council to help cover the costs of issuing Penalty Notices and/or the cost of prosecuting recipients who do not pay.

Please note: If you pay the Penalty Notice and your child has further unauthorised absences additional legal action will be taken. For example, in the event that a Penalty Notice has previously been served to you due to unauthorised holiday, should your child have any future unauthorised leave this will result in further legal action for you, such as prosecution or an Education Supervision Order. For further information parents/carers can request a leaflet from their school and should visit Hampshire County Council's website at: <https://documents.hants.gov.uk/code-of-conduct-issuing-penalty-notices-for-unauthorised-absence-from-schools.pdf>

Section 7

Other attendance matters

7.1 My child is trying to avoid coming to school. What should I do?

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents/carers and the child as soon as soon as possible. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

If your child is reluctant to attend contact your child's Mentor or Academic and Pastoral Leader immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem. In some cases you may find it helpful to discuss the circumstances of your child's difficulties with another professional.

What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his/her education.

Your child will bring home a school planner each evening. Please ensure you look at it with your child and engage with their school and home learning regularly, sign the planner weekly.

Be interested in what your child is doing in school, chat to them about the things they have learnt, what friends they have made and even what they had for lunch!

7.2 Leavers

If your child is leaving our school or leaving at the end of Year 11 parents are asked to give the school office comprehensive information about their plans, including any date of a move and your new address and telephone numbers, your child's new school name and address and the start date when known. This should be submitted to our school in writing.

If pupils leave and we do not have the above information, then your child is considered to be a child missing in education. This requires schools and local authorities to then carry out investigations to try and locate your child, which includes liaising with Children's Services, the Police and other agencies. By giving us the above information, these investigations can be avoided.

7.3 Absence through child participation in public performances, including theatre, film or television work and modelling.

Parents of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the Headteacher via a request for absence form (available from the school office) to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future

leave of absence. It is, however, down to the Headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Any absence recorded as part of a child's participation in a public performance is recorded as C, an authorised absence.

7.4. Absence through competing at regional, county or national level for Sport.

Parents of pupils who are able in sports can seek leave of absence from school (via the request for absence form from the school office) for their child to take part in regional, county, national and international events and competitions. It is however, down to the Headteacher's discretion whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions are also at the discretion of the Headteacher and are not likely to be approved if it is a regular event, unless the sports club or association are providing an education tutor as part of their coaching.

7.5 Gypsy Roma Traveller Showman and Showman families

Absence of a child from a Traveller family that has left the area may be authorised if the absence is for work purposes only and it is believed that the family intends to return. To ensure the continuity of learning for Traveller children, dual registration is allowed. That means that a school cannot remove a Traveller child from the school roll while they are travelling. When the Traveller is away, the home school holds the place open and records the absence as authorised through the T code. Distance learning packs for Traveller children are not an alternative to attendance at school.

Please note pupils must have attended 200 sessions in a rolling 12 month period to be able to request leave for work purposes. Further support & Guidance is available from Hampshire's EMTAS Service

Section 8

Record preservation

School registers are legal documents. We will ensure compliance with attendance regulations by keeping attendance records for at least 3 years. Computer registers will be preserved as electronic back-ups.
