The large sports hall is ideal for activities such as football, cricket, basketball and badminton.

The dance studio includes a sprung floor, mirrored wall and a ballet bar.

The outside multi-use games area is suitable for netball, basketball and tennis.

The floodlit astroturf pitch provides a superb space for football clubs to use, long into the dark winter evenings.

The auditorium, when fully extended, seats up to 320 people and the stage area opens up to complete the full theatre experience for rehearsals and performances.
