Dear Parents and Carers

Free School Meals (FSM)

We will continue to provide support to pupils currently eligible for FSM.

As you know, we are currently providing this support using our own Catering Team who are producing food parcels for you to collect. Thank you so much for the positive comments relating to this.

It is clear that you really valued the food parcels, so we will be extending this into the Easter holiday as well. The next food parcel will be available between 12pm-1pm on Monday 6 April from the serving counter to the rear of the kitchen. There are markings on the floor so that we can queue, keeping 2 meters apart from each other.

There will be one parcel available for every Oakmoor child in your family eligible for FSM. The Easter Food Parcel will have 2 weeks' worth of food in it. We will return to weekly collections after the school holiday on Monday 20 April between 12pm-1pm

It is our intention to continue providing this for you whilst the school is closed to the majority of students. However, if we became unable to do this we would make use of a voucher scheme that the Department for Education has introduced for schools who find themselves in this position. We really hope that this will not happen, but if for any reason we cannot continue, I will write to let you know how the back-up system will work.

If you have already advised us that you will be collecting your parcel, then we look forward to seeing you on Monday. If you have not yet informed us then please email our Catering Team at t.kitchen@oakmoor.hants.sch.uk before Sunday evening and let them know your child's name.

Yours sincerely

Mr P Hemmings
