April 2020

Dear Parent/Carer

Welcome to Oakmoor School. I do hope that you and your families are safe and well.

During this term, staff from Oakmoor School would usually visit the local primary schools in order to speak with Year 6 class teachers and students. During this visit, we would speak to your son/daughter and ask them to fill in a brief questionnaire that aims to give us a little more information about them, including the subjects they like, sports and/or instruments they play. It is also an opportunity for us to ask if your son/daughter has any questions or concerns so that we can address these.

During these unprecedented times, we are unfortunately not in a position currently to confirm whether we will be able to visit schools, as we would normally do as part of our transition work. This will be dependent upon a number of factors, but primarily when the Government makes the decision to re-open schools. I know that this will be disappointing for you and your child, but I would like to reassure you that we will be working closely with your child's primary school, in order to be able to fully support them when they start Oakmoor School as a Year 7 student. I can assure you that we will work for the best interests of your child at this very challenging time. It is our intention to make this transition as smooth as possible so that your child settles in quickly and has an enjoyable and successful experience with us at Oakmoor School.

I shall be in touch in due course but in the meantime, please do not hesitate to contact me if you have any further questions.

Yours sincerely

Miss K Lissoni  
Assistant Headteacher
