Dear Parents and Carers

We are really looking forward to welcoming back all students full time from September.

As you will be aware, the Department for Education guidance for the full opening of schools in September was published last Thursday. Following this, I have developed draft plans with the Senior Leadership Team. This week I am meeting with all Heads of Department to discuss these plans and assess the needs for each subject area.

As ever, my first priority in our planning is student and staff safety.

I expect to finalise our plans during the middle of next week and I will share these with you before the end of term next Friday. You will also receive details from Mrs Moral about the start of term arrangements, which as you would expect, will be slightly different from usual.

Yours sincerely

Mr P Hemmings
Headteacher
