

25 September 2020

Dear Parents and Carers

From Monday we will be making a couple of minor adjustments to our school day timings, having reviewed our procedures this week.

Year 7 and Year 8 will continue to enter the main site at 8:30.

Years 9, 10 and 11 will enter the main site at 8:35.

All year groups will continue to use their current designated entrances.

At the end of the day three bells will sound and year groups will leave at the following times:

Year 9 at 2:42

Years 10 & 11 at 2:45

Years 7 & 8 at 2:48

Having monitored the start and end of the school day very carefully for the last 3 weeks, it is clear that these timings will allow students to arrive and leave as safely as possible and as close as possible to our normal arrival on site time of 8:30 and finishing time of 2:45.

As with all our procedures we will monitor and review the effectiveness of these changes.

I hope you have a relaxing weekend.

Yours sincerely

Mr P Hemmings
Headteacher
