

1 April 2021

Dear Parents and Carers of Year 11 students

It has been a real pleasure to see all of our students over the last few weeks and we are particularly pleased that year 11 have been able to return to continue their GCSEs with us in school. As you know we have been working with students since their return to consolidate their learning and to assess their understanding in each of their GCSE courses. In the absence of exams this year, all of their work will support us in agreeing their school assessed grades.

In order to award the grades that students deserve, we will use a range of work from the course and some assessment which will take place between Easter and May half term. This may include classwork, homework, timed assessments and, in some cases, mock exams. Where there is work or revision that students need to complete at home as part of their preparation, this will be recorded on Satchel One.

Please do encourage students to continue to use Satchel One so they can benefit from the homework that supports learning in school. You are also able to view all of the work and reminders set on this platform.

Finally, we understand that this has been an uncertain time for year 11. Please be assured that we are working swiftly to agree an assessment and moderation process which will be robust and fair, adhering to the guidance we are provided.

Thank you for your ongoing support.

Yours sincerely

Mrs C. Conley-Harper  
Assistant Headteacher
