Dear Parents and Carers

I hope you enjoyed a relaxing Easter weekend.

You will have recently received your child's spring term report.

This is reflective of learning which took place during the national lockdown and not since we returned to school in March.

Therefore the report does not reflect current attitudes to learning. I know from my own children that their grades would be very different than if they had been made based on their recent 3 weeks in school. Therefore, may I encourage you to discuss with your children how we will look to the future and how we will approach the summer term, rather than look back to the past.

We have a great term ahead of us with the easing of restrictions and more opportunities to enjoy one another's company.

I hope you enjoy the next two weeks with your family.

Yours sincerely

Mr P. Hemmings  
Headteacher
