Dear Parents & Carers

I am writing to inform you that we have added an optional item for all students to our uniform policy. All students will now have the option to wear tailored black shorts. The tailored shorts are available from our uniform supplier, Stevensons. Please ensure that the shorts available from the supplier are purchased if your child chooses to wear this item of school uniform.

This is an all year round uniform option.

Please note that if your child chooses to wear tailored black shorts, they must be worn with black or white ankle or knee high socks and black shoes only. The omission of socks or wearing of trainers or any other alternative shoe is not permitted. This is so that the uniform remains smart and professional in style, and to tie in with the school uniform policy in general.

We hope that the children will welcome this cooler uniform style in the summer months especially.

Uniform supplier contact details – Stevensons 01727 815700 9.00am - 5.30pm Monday to Saturday, or visit their website <https://www.stevensons.co.uk>

Yours sincerely
