

21 June 2021

Experience Day 3 and our RSE curriculum.

Dear Parents and Carers

Experience Day 3 is on Tuesday 13 July 2021. As with all of our Experience Days, the topics have been selected to ensure that education at Oakmoor School prepares students for the challenges of modern adult life. This will support them in being safer, happier and successful both now and once they leave school.

This Experience Day includes the following topics.

Year 7 - Healthy relationships. What we share online; sexting. Responding to unkind behaviour. Health.

Year 8 - Diverse families. Hate crime. Understanding being transgender. Child criminal exploitation.

Year 9 - Healthy relationships and consent. Radicalisation; awareness of how people may try to exploit the vulnerable. Gambling addiction.

Year 10 - Domestic abuse, coercive control. The impact of illegal substances on the wider community. Post 16 pathways.

If there is any reason you would like to discuss any of these topics in advance then please contact your child's Mentor, APL or myself.

Linked to this area of the curriculum is the Relationships and Sex Education policy which is on our website for you to view. You are invited to comment on this policy if you wish. To enable you to do this I have set up a link below. Please click on the link to leave your feedback. The link will close on Friday 16th July.

Thank you for your continued support.

Yours sincerely

Mr. P Rose
Experience Days Coordinator
