Dear Parent/Carer

New Intake – September 2021

I am pleased to welcome you to Oakmoor School and look forward to working with you and your family during the next 5 years. You will have recently received confirmation that your child has been offered a place at Oakmoor School starting September 2021.

Changing schools is a big step and we are already building close working relationships with the local primary schools to make this process as smooth as possible. Next term we will be spending more time speaking to and meeting (virtually) with staff in the primary schools. If the regulations around Covid-19 and social distancing allow, we will meet the children to answer any questions they may have. You will also receive an invitation from us to attend an information evening on Thursday 1st July (either in person or virtually online depending on the regulations around Covid-19), where we will explain school systems and expectations and you will hear from the Headteacher, senior staff and the pastoral team.

I will write to you again during the summer term with further details regarding the transition to Oakmoor School.

In the meantime, if you have any questions concerning your child's place please do not hesitate to contact me.

Yours sincerely

Mrs S Moral
Deputy Headteacher
