

The Importance of Being Equipped

All students are expected to bring the basic equipment to school. Students will be expected to have the following equipment:

- Pens (more than 1) – Black Ink
- Pencils (more than 1)
- A ruler
- A rubber
- A sharpener
- Pencil case
- Colouring pencils
- A reading book
- Scientific calculator (can be purchased from the Mathematics Department, please see the letter enclosed letter in the pack)
- A bag which will allow students to fit in A4 folders or books
- All students will receive a school planner. This is an essential item of equipment that must be with students at all times, it is an important part of home school communication.
- Desirable items if possible please – highlighters, a green ballpoint pen, glue stick, protractor and compass.

There will be regular checks of each student's equipment. There will be rewards for students who are consistently well equipped and adopting a positive attitude to learning.
