

Dear Parent/Carer

Travel Assistance to Secondary school

Please find below the link to Hampshire County Council's website which provides information for parents who wish to apply for transport to school. Parents/carers should complete an online application for new starters. Section 5 – Children moving from year 6 to year 7 in September.

<https://www.hants.gov.uk/educationandlearning/schooltransport/parent-carer/application-process/mainstream-school>

Applications should be submitted to the Passenger Transport Group as soon as possible. This is to allow time for the applications to be processed by the beginning of the autumn term. Applications received after the end of June may be subject to delay. Parents will normally be notified of transport arrangements during the summer holidays.

Please note: Applications close on 25 June 2021.

Yours sincerely

Mrs S Moral  
Deputy Headteacher
