

14 July 2021

Dear Parents and Carers,

Firstly, thank you for all of your support throughout what has been a challenging year in education.

Please see the link below for our annual parent and carer survey.

This is an opportunity for you to share your thoughts on what has gone well this year and how we can continue to work together to provide the very best education for your child/children.

If you can spare a few minutes we would appreciate your feedback. The survey will close at 4:00pm on Sunday 18th July.

Thank you in advance for your time and support.
