### Come and Join the Grayshott Jaguars .

Fun based coaching sessions for girls aged 8-13 years led by fully qualified coaches. Summer Coaching takes place at the Sportsfield in Grayshott on a Friday night from 6.30pm. Plenty of competitive games in 2022.

**At the younger ages**, girls will normally use an incrediball (a soft version of a cricket ball) so no protective equipment is required.

The club will provide bats, stumps and balls for the girls to use.

Hardball cricket available for girls looking to develop their game

Come along for a Free Taster Session or Register today using the link below
